Quick release side panels for easy access

Features

- Available in 4 heights, 9u, 12u, 15u, and 18u
- Available in Black
- Aesthetically pleasing framed safety glass front door
- Quick release doors and side panel
- Adjustable front and rear 19" mounting profiles
- Removable cable entry panel in top and base

Product Overview

The Excel 600 series is a range of 19" 600mm wall mount enclosures designed for installation of both cabling and equipment, and is ideal for use across a range of applications including local area networking (LAN) cabling and hardware, and the housing of security and audio and visual equipment.

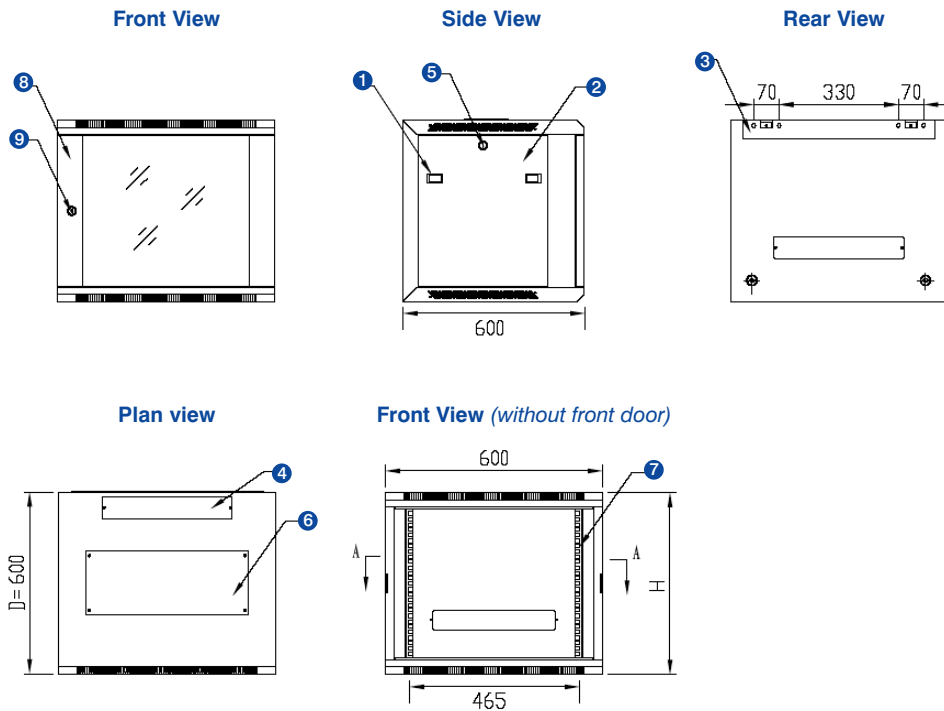

Each cabinet is designed with strength, ease of use and aesthetics in mind. Features such as quick release doors and side panels, fully adjustable front and rear profiles and above average access through the either the top or base of the cabinet make the product extremely flexible and easy to install cables and equipment into.

A full range of Excel accessories are available to complete cable or equipment installation from shelving through to ventilation and power distribution units.
